*****Some classes fill far in advance - please plan early*****

The Rescue Open water "training" dives will be conducted at various commercially operated quarries for scuba divers in Western Ohio.

The **PADI Rescue Diver** program develops your knowledge and skills so you can effectively perform diver assists and rescues, manage diving accident situations and render first aid. The program is an important step in expanding your knowledge and experience as a diver. PADI Rescue Diver (or equivalent) certification is also a prerequisite for all PADI leadership programs.

To get into the **PADI Rescue Diver** program, you'll need to be certified as a PADI Advanced Open Water Diver or Advanced Plus (or equivalent) and must be at least 15 years old. The PADI Junior Rescue Diver program is available if you're between the ages of 12 and 14 and hold a PADI Junior Advanced Open Water Diver or Advanced Plus (or equivalent) rating.

You'll also need to have successfully completed the PADI Emergency First Response program or a sanctioned program in CPR within the past three years.

The **PADI Rescue Diver** program covers:

- Self-rescue and diver stress
- Diving first aid
- Emergency management and equipment considerations
- Swimming and non-swimming assists
- Panicked diver response
- Underwater problems
- Missing diver procedures

- Surfacing the unconscious diver
- In-water artificial respiration
- Egress (exits)
- First aid procedures for pressure related accidents
- Dive accident scenarios.

The PADI Rescue Diver Water Course - Course Fee of \$367.00 includes:

- PADI Rescue eLearning (\$135.00 - payable to PADI directly)
- Classroom & Open Water Dives (\$175.00)
- Student Kit (\$57.00) which includes:
 - EFR Pocket Mask
 - Accident Management Workslate

The PADI Rescue Diver Video is highly recommended, but not required and can be purchased separately for \$29.10.

(EFR is required prior to the open water portion of the class; or a equivalent from Red Cross, etc)

Registration:

We require a \$50.00 deposit (of the above course fee) to hold your place in class. The course fees are **non-refundable**, but are transferable if you need to change class dates.

Home study:

You need to complete the PADI eLearning course, and print out the *Course Completion Summary*. Please bring this to the course orientation and be prepared to take the *Course Quiz* that evening, as required by PADI.

Forms:

You must completely fill out a student record file, liability release, Safe Diving Practices and Medical Statement at the time of registration. If you are a minor, you must also have your parent or guardian sign in all the sections where you have signed. Medical forms must be filled in with the words YES or NO spelled out. If you have a YES answer, that does not mean you cannot dive or take the class, but it does mean that we will need to have a PADI Medical Form filled out and signed by your doctor PRIOR to participation in the pool sessions. There can be no exceptions.

Picture:

We will take a digital picture of you during the classroom session for your certification card.

Equipment:

If you need to rent equipment, we can arrange that, the equipment rental fees are not included in the course price.

Other Class Information:

- We use the following quarries for our training:
 - White Star Quarry
 - Gilboa Quarry
 - Circleville Twin Quarries
 - Portage Quarry
- Some other fees that are NOT included, but need to be considered:
 - Quarry admission fees
 - Lodging (hotel or camping)
 - Transportation
 - Airfills
 - Food

PADI Courses are approved for College Credit by A.C.E.

Fine Print:

- While we make every effort to maintain the schedules above (dates, times, locations), sometimes we may need to adjust or change a portion of the class, due to circumstances beyond our control.
- Prices are subject to change without notice; please call for current course pricing.
- Failure to complete all the required home study (knowledge reviews, quizzes, exams, etc.) for these classes might require us to reschedule that student to another class; in such a case, the class deposit will be forfeited.
